

Newsletter Report Year End 2018-19

At year's end, the following was the status of the VHWSG newsletter:

- Publication statistics – 9 monthly newsletters were emailed out to approximately 140 members, to 10 other guilds, and to one vendor. For the months of December, July, and August, no newsletter was published.
- Financially, one vendor has paid the requisite \$25.00 annual fee (from Sept. 2018 to Aug. 2018) for running a commercial ad in the newsletter.
- Classified ads continue to be posted on the website, www.vhwsq.ca by the website manager.
- An exciting change suggested for 2019 – setting up a communications committee that will work towards an efficient collaboration of information on the platforms we currently use, namely, our Website, our Facebook page and our monthly Newsletter.
